

Here is a depiction of the layout of the profile page. We have made the layout very simple and clean, to improve usability and productivity.

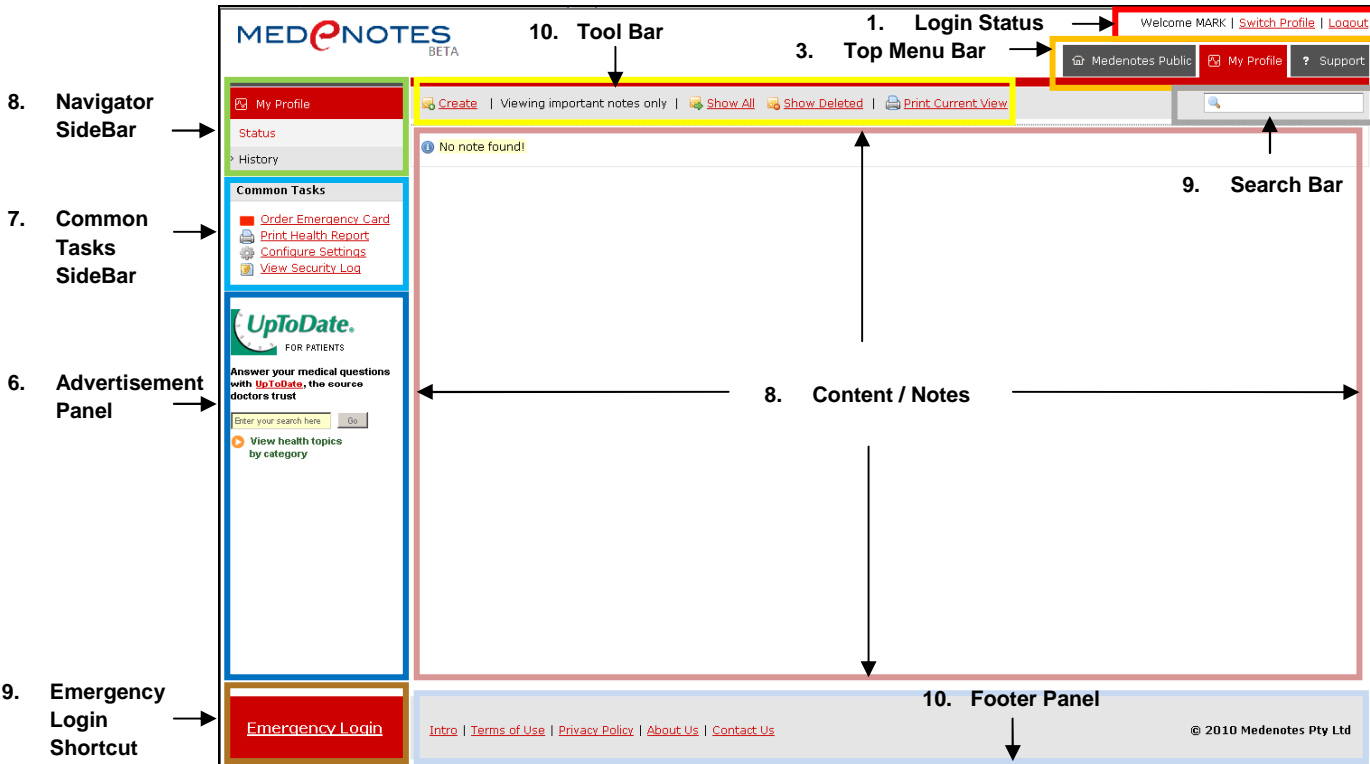

Fig 1 MEDENOTES – Layout screen shot.

1. **Login status** – Shows if anyone is logged in, who is logged in, provides access to shared profiles, and allows you to log out.
2. **Top Menu bar** – Is a set of navigation tabs allowing navigation to major sections of the website. The active tab is indicated in red. *My Profile* is only available when logged in.
3. **Tool bar** – Visible on when on the *History* page. Used to create, filter and print notes.
4. **Search bar** – To search through notes and documents in the active profile
5. **Navigation side bar** – Items change depending on the selected section in the top menu bar. In *My Profile*, you have two options, Status and History.
6. **Common tasks sidebar** – Visible only in the *My Profile* section. Contains links to the most important tasks.
7. **Advertisement panel** – Relevant information and offers from our partners.
8. **Content / Notes** – Main content section. Contains your list of notes when on the *History* page
9. **Emergency login shortcut** – Quick access to use an emergency login card.
10. **Footer Panel** – Quick access to legal information and help.
